CLAAS Arion
Live 3rd Function Valve

Set F1 & F2 to the purple remotes
and F3 & F4 to the bucket lock function

Press and hold the bucket lock button and either the F3 or F4 button together. Then press Either F1 or F2 at the same time To unlock and lock the bucket. Three buttons will need to be held down at the same time. The bucket will pivot at the same time when F1 or F2 is pressed.
